

INSTANT BUSINESS KFT. – YOUR PARTNER FOR INTERNATIONAL TRANSACTIONS

Going abroad needs preparation and a high responsibility. Doing it without any specific knowledge of the market is gambling. Our company offers:

- full-range establishment service: feasibility study, business plan, company formation assistance, site selection assistance, financial advising, sales strategy
- partner seeking service: contacting potential partners, managing negotiations, contracting strategies
- project management: tender hunting, preparing tender documentations and budget, monitoring deadlines – both private and public tenders, also in UK, Italy and Slovakia
- manpower services: headhunting, manpower planning, outsourcing, managing of temporary work
- communication services: creating the appearance of the company, preparing press releases, leaflets, brochures, hallmarks, slogans
- online presence: designing / translating the website of the company, developing mobile applications, managing online marketing

Our team bundles professionals from the areas of law, economics, HR, accounting, project management, IT and marketing. We are proud of the internationality of our team: due to the co-operation with native speakers we provide all our services in Hungarian, Slovak, Czech, Polish, German and English language.
